

Certificate of WEEE & RoHS 3 Compliance

To whom it may Concern:

April 8, 2019

Subject: EC Directive on Waste Electrical and Electronic Equipment (**WEEE**) and EC Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (**RoHS 3**): **Lead, Cadmium, Mercury, Hexavalent Chromium, Polybrominated biphenyl (PBB), Polybrominated diphenyl Ether (PBDE), Bis(2-Ethylhexyl) phthalate (DEHP), Benzyl butyl phthalate (BBP), Dibutyl phthalate (DBP), and Diisobutyl phthalate (DIBP).**

Product Description

- Type **VJC** Flexible Metal Conduit

This letter is in response to your request for information regarding EC Restricted Substances on the above listed products.

We have completed an evaluation of the above products and the materials used to produce them. Based on the information provided to Electri-Flex Company by its material suppliers, we have determined that the above products do not contain any of the above listed restricted substances above EC Directive levels.

Furthermore, these products have not come in direct contact with mercury or any of its compounds, nor with any mercury containing devices employing a single boundary of containment.

If you have any questions concerning this matter or if we can be of any further assistance, please feel free to contact us.

Regards,

Dan Coolidge
Engineering Manager
