Certificate of Origin and Manufacture

Electri-Flex Product Designation: Type NMHT

To Whom It May Concern,

Please allow this correspondence to act as our documentation confirming compliance to:

- The Buy American Act of 1933 (**BAA**)
- **FAR 52.225-9** Federal Acquisition Regulation
- The “Buy American” provisions of Section 1605 of the American Recovery and Reinvestment Act of 2009 (**ARRA**).

The referenced catalog types listed above have been manufactured by Electri-Flex Company at its facility located in Roselle, IL USA or sourced from other US manufacturers. All materials used in the construction of these products are sourced and processed domestically.

A manufactured product is considered domestic if all of the manufacturing processes for the product take place in the U.S. and all of the components of the product are of U.S. origin. 49 C.F.R. 661.5(d)(1). A component of a manufactured product “is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents.” 49 C.F.R. 661.5(d)(2).

Regards,

A handwritten signature in black ink, appearing to read "Henry B. Dominicis".
