QUALITY. SERVICE. SELECTION.

Whatever your conduit challenge, we're flexible.

For over 60 years, Electri-Flex has provided top-quality conduit solutions. We offer nearly 50 types of Liquatite® conduit to withstand extreme environments, confined areas, electronic interference and other challenges. Customers recognize our conduit for its superior crush strength, achieved by building in more convolutions per foot. Our expertise also extends to R&D, quality control, shipping and customer service. Electri-Flex has been a family-owned business for three generations.

Contact us today, and discover excellence around every bend.
