Certificate of Origin and Manufacture for “Buy America”

Electri-Flex Product Designation: All UL & CSA Listed Products

To Whom it May Concern,

The referenced catalog types listed above have been manufactured by Electri-Flex Company at its facility located in Roselle, IL USA or sourced from other US manufacturers. All materials used in the construction of these products are sourced and processed domestically.

A manufactured product is considered domestic if all of the manufacturing processes for the product take place in the U.S. and all of the components of the product are of U.S. origin. 49 C.F.R. 661.5(d)(1). A component of a manufactured product “is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents.” 49 C.F.R. 661.5(d)(2).
