

MADE IN AMERICA, FOR AMERICA

At Electri-Flex, we are proud to do our part in **rebuilding America** by providing **top-quality, domestically sourced conduit** made right here in the U.S. Our industry-leading Liquatite® flexible conduit line is second to none, **offering options for virtually every application**, from data and defense to transit, rail and bridges. And backed by more than **65 years of family ownership**, we look after your business as if it were an extension of our own. Because we believe that America deserves the best.

Electri-Flex.
Rebuilding our infrastructure
at every turn.
