To Whom it May Concern,

Thank you for your request for REACH Compliance information. Electri-Flex Company is dedicated to providing quality in all aspects of our products and services, including those related to legislative and environmental compliance.

REACH Article 33 requires suppliers to inform recipients if a product contains more than 0.1% (by weight per article) of any substance(s) on the **Substances of Very High Concern (SVHC)** Candidate List. To the best of Electri-Flex's knowledge, the products identified above meet the requirements of EU REACH regulations according to the SVHC 253 Candidate list, and do not contain substances in the SVHC candidate list at or above the 0.1% concentration.

REACH Article 67 identifies certain substance restrictions in **Annex XVII** that might be present in electrical or electronic equipment. To the best of Electri-Flex's knowledge, the products identified above do not contain any substances subject to Annex XVII Restrictions.

Please feel free to contact us with any further questions.
